

Established in 1920, Wallenborn Transports S.A. is a leading provider of transportation services and Europe's largest air-cargo road feeder services (RFS) operator. We are the European market leader in major EU markets, and are proud to have the most extensive European network. Wallenborn has five focus areas of road transport: air cargo RFS, road freight, secure, temperature controlled, and outsize. We have offices in 10 countries throughout Europe as well as offices in the UAE, and are ISO 9001-2015 certified. We are currently looking for the following position, based at our headquarters in Luxembourg:

Dispatcher/Monitoring

Principle Accountabilities :

- ✓ You ensure that transports are carried out correctly and in time.
- ✓ You ensure alarms are followed up.
- ✓ You ensure clients are satisfied.

Your qualifications:

- ✓ You are a Transport/Logistics graduate.
- ✓ You speak French, German, English fluently. Another language will be considered as an asset.
- ✓ You have good organization skills and you are able to work as part of young and motivated team.

We offer:

- ✓ An international environment full of challenges and development opportunities.
- ✓ An interesting and competitive salary.
