

## International drivers, license C(E), M/F

Due to an increase of our activities at an international level, we are currently recruiting drivers:

### **Your mission :**

- Conduct transportation across Europe (departure from and return to Luxembourg)
- Drive the truck in a responsible manner (energy saving, security)
- Rigorously follow safety / security and driving rules
- Ensure the proper execution of the transport contract (technical and administrative organisation of the transport)
- Deliver the merchandise, which can include loading and unloading the merchandise and covering / uncovering of the truck
- Establish and maintain the documents related to the transport and the organisation
- Ensure the maintenance and cleanliness of the truck, both inside and out
- Strictly follow the work instructions and safety / security rules of the company

### **Your profile :**

- Have a proven experience of 3 to 5 years in international transport
- Languages : French or German or English
- Carry the following valid licenses / permits :
  - C(E) and driver card
  - ADR
  - FIMO or FCOS
- Be conscientious, punctual, polite and well presented
- A geographic knowledge of European countries is essential
- An experience in the domain of the cooling transport and/or offsize transport is an advantage

Full time, permanent contract.

Vacancies to be filled immediately.

Please send your application (**CV + photo**) in Word format by e-mail to the following address: **recruitment@wallenborn.com**

**Any application which does not match the above listed criteria will not be considered.**
