

International driver

Established in 1920, Wallenborn Transports S.A. is a leading provider of transportation services and Europe's largest air-cargo road feeder services (RFS) operator. We are the European market leader in major EU markets, and are proud to have the most extensive European network. Wallenborn has five focus areas of road transport: air cargo RFS, road freight, secure, temperature controlled, and outsize. We have 17 offices in 13 countries throughout Europe as well as offices in the UAE, and we are ISO 9001-2015 certified. Our mission is to be the most trusted provider of specialized transportation services in Europe.

We are currently looking for the following position, based at our office in Amsterdam (NL-1437 EJ Rozenburg) :

International driver, license C(E)

Your mission:

- Conduct transports in mainly BENELUX with exceptional other EU destinations.
- Drive the truck rationally (energy saving, security).
- Rigorously follow safety / security and driving rules.
- Ensure the good execution of the transport contract (technical and administrative organization of the transport).
- Deliver the merchandise, which can include loading and unloading the merchandise and covering / uncovering of the truck.
- Establish and maintain the documents related to the transports and their organization.
- Ensuring the maintenance and cleanliness of the truck inside and out.
- Strictly follow the work instructions and safety / security rules of the company.

Your profile :

- Have a proven experience of 3 to 5 years in international transport.
- Languages : French or German or English or Dutch.
- Carry the following valid licenses / permits :
 - C(E) and driver card.
 - ADR.
 - CODE 95.
- Be conscientious, punctual, polite and present well.
